

***Fiscal Year 2013 (FY13) Peer Reviewed Orthopaedic Research Program (PRORP)
Reference Table of Award Mechanisms and Submission Requirements***

Award Mechanism	Eligibility	Key Mechanism Elements	Funding <i>(Awards subject to negotiations and availability of funds)</i>	Submission Deadlines
<p>Clinical Trial Award Go to:</p> <ul style="list-style-type: none"> • Program Announcement • Application Instructions <p>Grants.gov Funding Opportunity Number: W81XWH-13-PRORP-CTA</p>	<p>Independent Investigators at or above the level of Assistant Professor (or equivalent)</p>	<ul style="list-style-type: none"> • Preproposal is required; application submission is by invitation only; • Supports rapid implementation of clinical trials that will have a significant impact on military combat-related orthopaedic injuries; • Preliminary data are required; • Military/Veteran study population highly encouraged; • <i>Nested Career Development Option:</i> Additional funds may be requested to support the mentored career development of an active duty military research- or physician-scientist at an early career stage. 	<ul style="list-style-type: none"> • Maximum funding of \$2.5M for direct costs (plus indirect costs) • Period of performance up to 4 years • <i>Nested Career Development:</i> Additional direct costs of \$225K for total combined direct costs of \$2.725M 	<p>Pre-application (Preproposal): April 4, 2013 5:00 p.m. Eastern Time (ET)</p> <p>Notification of Invitation to Submit an Application: Mid-May 2013</p> <p>Application: July 18, 2013 11:59 p.m. ET</p>
<p>Clinical Trial Development Award Go to:</p> <ul style="list-style-type: none"> • Program Announcement • Application Instructions <p>Grants.gov Funding Opportunity Number: W81XWH-13-PRORP-CTDA</p>	<p>Independent Investigators at or above the level of Assistant Professor (or equivalent)</p>	<ul style="list-style-type: none"> • Preproposal is required; application submission is by invitation only; • Supports planning and preparations for clinical trials that will have a significant impact on military combat-related orthopaedic injuries; • Preliminary data are required; • Military/Veteran study population highly encouraged; • Intent is that Principal Investigators will apply for PRORP Clinical Trial Award in the fiscal year following completion of Clinical Trial Development Award. 	<ul style="list-style-type: none"> • Maximum funding of \$200,000 for direct costs (plus indirect costs) • Period of performance up to 18 months. 	<p>Pre-application (Preproposal): April 4, 2013 5:00 p.m. Eastern Time (ET)</p> <p>Notification of Invitation to Submit an Application: Mid-May 2013</p> <p>Application: July 18, 2013 11:59 p.m. ET</p>

Award Mechanism	Eligibility	Key Mechanism Elements	Funding (Awards subject to negotiations and availability of funds)	Submission Deadlines
<p>Translational Research Award</p> <p>Go to:</p> <ul style="list-style-type: none"> Program Announcement Application Instructions <p>Grants.gov Funding Opportunity Number:</p> <p>W81XWH-13-PRORP-TRA</p>	<p>Independent investigators at all academic levels (or equivalent)</p> <p>At least one collaborator must be a laboratory scientist and at least one collaborator must be a clinician.</p> <p>At least one collaborator must have significant experience in orthopaedic research or orthopaedic medicine</p>	<ul style="list-style-type: none"> Preproposal is required; application submission is by invitation only Supports development of multidisciplinary translational research collaboration between clinicians and laboratory scientists to accelerate movement of promising laboratory research into clinical applications Preliminary or published data are required Does not support definitive clinical trials, but limited clinical testing is permissible All applications must have direct relevance to orthopaedic injuries sustained during combat or combat-related activities Nested Career Development Option: Additional funds may be requested to support the mentored career development of an active duty military research- or physician-scientist at an early career stage. 	<ul style="list-style-type: none"> Maximum combined funding of \$750K for direct costs (plus indirect costs) Period of performance up to 3 years Nested Career Development: Additional direct costs of \$225K for total combined direct costs of \$975K 	<p>Pre-application (Preproposal): April 4, 2013 5:00 p.m. Eastern Time (ET)</p> <p>Notification of Invitation to Submit an Application: Mid-May 2013</p> <p>Application: July 18, 2013 11:59 p.m. ET</p>
<p>Idea Development Award</p> <p>Go to:</p> <ul style="list-style-type: none"> Program Announcement Application Instructions <p>Grants.gov Funding Opportunity Number:</p> <p>W81XWH-13-PRORP-IDA</p>	<p>Independent investigators at all academic levels (or equivalent)</p>	<ul style="list-style-type: none"> Supports conceptually innovative, high-risk/ high-gain research Emphasis on Innovation and Military Benefit Preliminary data not required Clinical trials not allowed Nested Career Development Option: Additional funds may be requested to support the mentored career development of an active duty military research- or physician-scientist at an early career stage. 	<ul style="list-style-type: none"> Maximum funding of \$500K for direct costs (plus indirect costs) Period of performance up to 3 years Nested Career Development: Additional direct costs of \$225K for total combined direct costs of \$725K 	<p>Pre-application (Preproposal): April 4, 2013 5:00 p.m. Eastern Time (ET)</p> <p>Notification of Invitation to Submit an Application: Mid-May 2013</p> <p>Application: July 18, 2013 11:59 p.m. ET</p>
