| Convergence Science Research Award               | Principal Investigators (PIs) at or above the level of Assistant Professor (or equivalent). | **Intent:** Support efforts to generate research resources, tools, or novel research efforts for researchers and/or practitioners in the health sciences.  
**Applications must address one or more of the following FY18 PRARP Overarching Challenges:**  
- Paucity of Research Resources  
- Paucity of Clinical Studies  
- Diagnostic Technologies, Tests, Biomarkers, or Devices  
- Epidemiology  
**Applications should address at least one of the following FY18 PRARP Focus Areas:**  
- Mechanisms of Pathogenesis  
- Biomarkers  
- Epidemiological Research  
- Novel Target Identification  
Research considering pharmacologic interventions is specifically discouraged under this mechanism.  
Preliminary data, while not required, are encouraged. | • Maximum funding is **$500,000** for direct costs (plus indirect costs).  
• Maximum period of performance is 3 years.  
• Indirect costs may be proposed in accordance with the institution’s rate agreement. | Pre-Application (Letter of Intent):
