

Appendix D

ACRONYMS

AACR	American Association of Cancer Research
ADHD	attention deficit hyperactivity disorder
ASBREM	Armed Services Biomedical Research Evaluation and Management
BAN	bilateral acoustic NF
B	billion
BCRP	Breast Cancer Research Program
CAD	computer-aided diagnosis
C-CTR	Collaborative-Clinical Translational Research
CTR	Clinical Translational Research
CDMRP	Congressionally Directed Medical Research Programs
CPDR	Center for Prostate Disease Research
CSO	Common Scientific Outline
DOD	Department of Defense
DSBI	Diagnostic and Surgical Breast Imaging
DWHRP	Defense Women's Health Research Program
FAS	fatty acid synthase
FGF-1	fibroblast growth factor-1
FY	fiscal year
HBCU/MI	Historically Black Colleges and Universities/Minority Institutions
HGF	hepatocyte growth factor
IOM	Institute of Medicine
IP	Integration Panel
JPRP	Joint Programmatic Review Panel
M	million
MMHCC	Mouse Models of Human Cancers Consortium
MPFCTA	Minority Population Focused Collaborative Training Awards
NAS	National Academy of Sciences
NBCC	National Breast Cancer Coalition
NCI	National Cancer Institute
NF	neurofibromatosis
NFRP	Neurofibromatosis Research Program
NIS	sodium/iodide symporter

OCRP	Ovarian Cancer Research Program
ORP	Osteoporosis Research Program
OSE	ovarian surface epithelium
PB	pyridostigmine bromide
PCRP	Prostate Cancer Research Program
PDF	Portable Document Format
PEDB	Prostate Expression Database
PRMRP	Peer Reviewed Medical Research Program
PSMA	prostate-specific membrane antigen
RCQ	Regulatory Compliance and Quality
SBIR	Small Business Innovation Research
SLNB	sentinel lymph node biopsy
SPP	Special Populations Program
STDs	sexually transmitted diseases
STTR	Small Business Technology Transfer
TRAMP	transgenic adenocarcinoma of the mouse prostate
USAMRMC	U.S. Army Medical Research and Materiel Command
VA	Veterans Affairs

Congressionally Directed Medical Research Programs
