

Appendix D

ACCESS	Augmented Care in the Chain of Stroke Survival	MPNSTs	malignant peripheral nerve sheath tumors
ASBREM	Armed Services Biomedical Research Evaluation and Management	MSP	methylation-specific polymerase chain reaction
ASD(HA)	Assistant Secretary of Defense for Health Affairs	MTD	maximum tolerated dose
ASL	apical surface liquid	NAS	National Academy of Science
B	billion	NCI	National Cancer Institute
BAN	bilateral acoustic neurofibromatosis	NF	neurofibromatosis
BCRP	Breast Cancer Research Program	NFRP	Neurofibromatosis Research Program
CDMRP	Congressionally Directed Medical Research Programs	NPRP	National Prion Research Program
CEA	carcinoembryonic antigen	NSAID	non-steroidal anti-inflammatory drug
CML	chronic myelogenous leukemia	NSCLC	non-small cell lung cancer
CMLRP	Chronic Myelogenous Leukemia Research Program	OCRP	Ovarian Cancer Research Program
Cox-2	cyclooxygenase-2	OLC	oak leaf cluster
CPDR	Center for Prostate Disease Research	PCR	polymerase chain reaction
CSO	Common Scientific Outline	PCRP	Prostate Cancer Research Program
CT	clinical trial	PFCs	perfluorocarbons
CTDA	Clinical Trial Development Award	PI	Principal Investigator
DCs	dendritic cells	PKC	protein kinase C
DOD	Department of Defense	PRMRP	Peer Reviewed Medical Research Program
EGS	Electronic Grants System	PSA	prostate-specific antigen
ER	estrogen receptor	PSMA	Prostate-Specific Membrane Antigen
FCCC	Fox Chase Cancer Center	RPCI	Roswell Park Cancer Institute
FDA	U.S. Food and Drug Administration	RT	reverse transcriptase
FTIs	farnesyl transferase inhibitors	SAHA	suberoylanilide hydroxamic acid
FY	fiscal year	SBIR	Small Business Innovation Research
HA	hyaluronic acid	SL	sentinel lymphadenectomy
HAase	hyaluronidase	SLN	sentinel lymph nodes
HBCU/MI	Historically Black Colleges and Universities/Minority Institutions	SPORE	Specialized Program of Research Excellence
HDACIs	histone deacetylase inhibitors	SPP	Special Populations Program
HIF	hypoxia-inducible factor	STAR	Services Tobacco Addiction Recovery
ICRP	International Cancer Research Portfolio	STRR	Small Business Technology Transfer
IL	interleukin	TSCRP	Tuberous Sclerosis Complex Research Program
IOM	Institute of Medicine	uPA	Urokinase-Type Plasminogen Activator
IP	Integration Panel	USAMRAA	U.S. Army Medical Research Acquisition Activity
IRB	Institutional Review Board	USAMRMC	U.S. Army Medical Research and Materiel Command
JPRP	Joint Programmatic Review Panel	VA	Veterans Affairs
M	million	VEGF	vascular endothelial growth factor
MAM	mammaglobin	WRAMC	Walter Reed Army Medical Center
MD	muscular dystrophy		
MPDRP	Myeloproliferative Disorders Research Program
