| Center of Excellence Award                   | • Eligible applicants should be accomplished scientists from multiple institutions with diverse backgrounds and areas of expertise  
  • Principal Investigator must commit at least 30% effort to this award | • Supports synergistic multidisciplinary, multi-institutional research efforts that address a single, overarching question critical to the prevention, detection, diagnosis, and/or treatment of breast cancer  
  • Breast cancer consumer/survivor groups must be active participants at all levels  
  • Must submit a pre-proposal                                                                                   | • $20M maximum, inclusive of both direct and indirect costs, for up to a 5-year performance period  
  • No more than $5M will be granted within any single year during the lifetime of the award | Pre-proposal deadline: April 5, 2005  
  5:00 p.m. (Eastern time)  
  Invited full proposal deadline: July 26, 2005  
  5:00 p.m. (Eastern time) |
| Clinical Translational Research Award        | All levels of experience                                                                              | • Must submit a pre-proposal  
  • Research and clinical trial components  
  • Chemoprevention and therapeutics  
  • Preliminary data required  
  • Must have a clinical trial with at least 1 year of patient accrual within the lifetime of the award | No maximum dollar limit for a period of up to a 5-year performance period | Pre-proposal deadline: April 5, 2005  
  5:00 p.m. (Eastern time)  
  Invited full proposal deadline: July 26, 2005  
  5:00 p.m. (Eastern time) |

| Era of Hope Scholar Award          | Independent, non-mentored investigators within 6 years of last training experience | • Traditional research proposal not required  
• To identify and fund exceptionally talented early-career scientists who have shown extraordinary creativity, vision, and productivity, a strong potential for leadership, and a vision for the eradication of breast cancer | • $2.5M for direct costs, plus indirect costs as appropriate, for up to a 5-year performance period               | Nomination deadline:  
April 5, 2005  
5:00 p.m. (Eastern time)  
Proposal submission deadline:  
July 26, 2005  
5:00 p.m. (Eastern time) |
| HBCU/MI* Partnership Training      | Faculty members with doctoral degrees working at an HBCU/MI               | • Forms collaborations at an institutional level between an HBCU/MI and another institution  
• Provides faculty training toward the development of a breast cancer research program at an HBCU/MI  
• Training must encompass a research project worthy of publication in a peer-reviewed journal  
• Must submit a pre-proposal | • $250,000 per year, plus indirect costs as appropriate, for a maximum of $1M for up to a 4-year performance period  
• No more than 25% of the awarded funds may be directed toward the collaborating institution over the lifetime of the award | Pre-proposal deadline:  
April 5, 2005  
5:00 p.m. (Eastern time)  
Invited full proposal deadline:  
July 26, 2005  
5:00 p.m. (Eastern time) |

* Historically Black Colleges and Universities/Minority Institutions

<tr>
<td>Predoctoral Traineeship Awards</td>
<td>Predoctoral students enrolled in a Ph.D. or M.D./Ph.D. program</td>
<td>• Prepares individuals for careers in breast cancer research</td>
<td>• $30,000 per year, inclusive of direct and indirect costs, for a maximum of $90,000 for up to a 3-year performance period</td>
<td>May 24, 2005 5:00 p.m. (Eastern time)</td>
</tr>
<tr>
<td>Multidisciplinary Postdoctoral Awards</td>
<td>Recent doctoral graduates with less than 5 years of postdoctoral research experience</td>
<td>• Prepares future leaders through a multidisciplinary research training opportunity for independent careers at the forefront of breast cancer research • Must include at least two major disciplines, for example laboratory research, clinical research, social/behavioral, public health, engineering, mathematics, physics, etc. • Must include a mentor from each major discipline who will participate on a leadership/mentoring team</td>
<td>• $125,000 per year, plus indirect costs as appropriate, for up to a 3-year performance period</td>
<td>May 24, 2005 5:00 p.m. (Eastern time)</td>
</tr>
