| Impact Award    | All levels of experience | Must have a strong potential to have an unprecedented impact on the prevention, detection, diagnosis, and/or treatment of breast cancer or greatly enhance the quality of life for breast cancer patients | No dollar amount restrictions for up to a 5-year performance period  
No more than $5M will be granted within any single year during the lifetime of the award  
Pre-application: May 22, 2007 5:00 p.m. Eastern Time  
Proposal: June 12, 2007 11:59 p.m. Eastern Time |
| HBCU/MI Partnership Training Award | Applicants must be HBCU/MI faculty members with doctoral degrees  
Collaborating mentors are expected to have established breast cancer research programs at the mentoring institution | All investigators will work together to complete a research project that is likely to result in publication(s) and will have a significant impact on the eradication of breast cancer  
The quality of the training should enable the HBCU/MI investigators to obtain independent breast cancer research funding  
A lasting collaboration between the applicant HBCU/MI and mentoring institution should be established  
The research collaboration should facilitate the development of an ongoing breast cancer training program at the applicant HBCU/MI | A maximum of $1,000,000 for direct costs for up to a 4-year performance period, plus indirect costs as appropriate  
Pre-application: May 9, 2007 5:00 p.m. Eastern Time
