

***Fiscal Year 2018 Department of Defense Psychological Health / Traumatic Brain Injury Research Program (PH/TBIRP)
Reference Table of Award Mechanisms and Submission Requirements***

Award Mechanism	Program	Eligibility	Key Mechanism Elements	Funding	Submission Deadlines
<p>Resilience and Readiness Optimization/Enhancement Translational Research Award (R2OE-TRA)</p> <p>Go to:</p> <ul style="list-style-type: none"> • Program Announcement • General Application Instructions <p>Grants.gov Funding Opportunity Number:</p> <p>W81XWH-18-PHTBIRP-R2OE-TRA</p>	<p>JPC-5/Military Operational Medicine Research Program</p>	<p>Independent investigators at all academic levels (or equivalent)</p>	<ul style="list-style-type: none"> • Supports research with the goal of evaluating evidence-based interventions and techniques to optimize and enhance resilience and readiness designed to: <ul style="list-style-type: none"> ○ Accelerate and enhance development of effective teams (e.g., first responders, small teams, and remote/isolated units) ○ Efficiently strengthen unit cohesion in context of isolated, small teams ○ Succeed under significant emotional demands using resilience-building techniques, tools, and strategies to enhance emotion regulation • <i>Supports clinical trials of behavioral health interventions</i> • Preclinical research using animals not allowed • Must address one or more FY18 PH/TBIRP R2OE-TRA Topics of Interest • <i>Submission of a Letter of Intent required</i> 	<p>Maximum funding of \$2.5M for total costs (includes direct and indirect costs).</p> <p>Maximum period of performance is 3 years.</p>	<p>Pre-Application (Letter of Intent):</p> <p>October 5, 2018 5:00 p.m. Eastern time</p> <p>Application:</p> <p>November 16, 2018 11:59 p.m. Eastern time</p>

Award Mechanism	Program	Eligibility	Key Mechanism Elements	Funding	Submission Deadlines
<p>Complex Traumatic Brain Injury Rehabilitation Research - Clinical Research Award (CTRR-CRA) Go to:</p> <ul style="list-style-type: none"> • Program Announcement • General Application Instructions <p>Grants.gov Funding Opportunity Number: W81XWH-18-CTRR-CRA</p>	JPC-8/Clinical and Rehabilitative Medicine Research Program	Independent investigators at all academic levels (or equivalent)	<ul style="list-style-type: none"> • Supports applied and translational research to advance the development of knowledge and materiel products for rehabilitation and restoration of function following TBI • Supported research can include preclinical studies using human subjects or samples and observational or mechanistic clinical research studies • Clinical trials are not allowed • Preclinical research using animals is not allowed • Must address one or more FY18 PH/TBIRP CTRR-CRA Focus Areas • <i>Preproposal submission is required; application submission is by invitation only</i> 	Maximum funding of \$2.0M for total costs (includes direct and indirect costs) Maximum period of performance is 3 years.	<p>Pre-Application (Preproposal): September 24, 2018 5:00 p.m. Eastern time</p> <p>Application: December 17, 2018 11:59 p.m. Eastern time</p>
<p>Complex Traumatic Brain Injury Rehabilitation Research - Clinical Trial Award (CTRR-CTA) Go to:</p> <ul style="list-style-type: none"> • Program Announcement • General Application Instructions <p>Grants.gov Funding Opportunity Number: W81XWH-18-CTRR-CTA</p>	JPC-8/Clinical and Rehabilitative Medicine Research Program	Independent investigators at all academic levels (or equivalent)	<ul style="list-style-type: none"> • Supports small, single-site, Phase I clinical trials to advance the development of knowledge and materiel products for rehabilitation and restoration of function following TBI in Service members, Veterans, and other individuals. • Interventions should be limited, existing, and manualized. Studies may include seeking to optimize dosing in existing interventions. • Preclinical studies are not allowed. • <i>Preproposal submission is required; application submission is by invitation only</i> 	Maximum funding of \$2.0M for total costs (includes direct and indirect costs) Maximum period of performance is 3 years.	<p>Pre-Application (Preproposal): September 24, 2018 5:00 p.m. Eastern time</p> <p>Application: December 17, 2018 11:59 p.m. Eastern time</p>

Award Mechanism	Program	Eligibility	Key Mechanism Elements	Funding	Submission Deadlines
<p>Complex Traumatic Brain Injury Rehabilitation Research - Clinical Trial Development Award (CTRR-CTDA)</p> <p>Go to:</p> <ul style="list-style-type: none"> • Program Announcement • General Application Instructions <p>Grants.gov Funding Opportunity Number:</p> <p>W81XWH-18-CTRR-CTDA</p>	<p>JPC-8/Clinical and Rehabilitative Medicine Research Program</p>	<p>Independent investigators at all academic levels (or equivalent)</p>	<ul style="list-style-type: none"> • Supports design and development of the necessary research resources that will serve as a foundation for investigator-initiated clinical trials as described above under CTRR-CTA • Final supporting studies required for approval of Investigational New Drug Applications/Investigational Device Exemptions (IND/IDE-enabling) are allowed. Other preclinical studies are not allowed • Clinical trials are not allowed within the period of performance of the CTRR-CTDA • Must address one or more FY18 PH/TBIRP CTRR-CTDA Focus Area • <i>Preproposal submission is required; application submission is by invitation only</i> 	<p>Maximum funding of \$200,000 for total costs (includes direct and indirect costs) Maximum period of performance is 12 months.</p>	<p>Pre-Application (Preproposal): September 24, 2018 5:00 p.m. Eastern time</p> <p>Application: December 17, 2018 11:59 p.m. Eastern time</p>
