| **Idea Development Award**       | Independent investigators at all academic levels (or equivalent) may be named as PI in the application. | • Supports highly impactful and military relevant research in the field of burn wound care  
• Inclusion of preliminary and/or published data relevant to the proposed research is required.  
• Research Strategy and Feasibility are important review criteria.  
• Clinical trials are not allowed.  
Pre-application is required; application submission is by invitation only. | • Maximum funding of **$500,000** for total costs (direct costs plus indirect costs)  
• Maximum period of performance is 3 years | Pre-Application (Preproposal):  
April 17, 2019  
5:00 p.m. Eastern time (ET)  
Invitation to Submit an Application:  
May 17, 2019  
Application:  
July 10, 2019  
11:59 p.m. ET |
| **Clinical Translational Research Award** | Independent investigators at all academic levels (or equivalent) may be named as PI in the application. | • Supports clinical research projects that are likely to have a major impact on therapy by applying promising and well-founded laboratory, preclinical, or clinical research findings to the care of the burn-injured patient.  
• The proposed study must include clinical research, and may include initial proof-of-concept trials, studies involving use of human anatomical substances, observational studies, and/or involve some retrospective data analysis.  
• Preliminary data is required.  
• Animal research is not allowed.  
Pre-application is required; application submission is by invitation only. | • Maximum funding of **$1.55 million** for total costs (direct costs plus indirect costs)  
• Maximum period of performance is 4 years | Pre-Application (Preproposal):
