| Federal Interagency Traumatic Brain Injury Research Analysis Award (FITBIRA) | Joint Program Committee 6 (JPC-6)/Combat Casualty Care Research Program | Independent investigators at all academic levels (or equivalent). | • The FITBIRA supports studies to leverage Federal Interagency Traumatic Brain Injury Research (FITBIR) data to identify actionable insights for the diagnosis, management, and treatment of traumatic brain injury.  
• Proposed projects must analyze existing FITBIR data.  
• Proposed projects should address at least one of the FY19 FITBIRA Topics of Interest or demonstrate alignment to the intent of the award mechanism.  
• FITBIR data may be supplemented with other public or private data sources.  
• Proof of an approved FITBIR Data Access Request is required at the time of application submission.  
• Animal research or prospective (active) enrollment of human subjects is not allowed. | • Maximum funding of $750,000 in total costs (direct and indirect costs).  
• Period of performance not to exceed 18 months. | Pre-Application (Letter of Intent):  
August 7, 2019, 5:00 p.m. Eastern time (ET)  
Application:  
September 5, 2019 11:59 p.m. ET |
