| Career Development Award      | Principal Investigator (PI): Independent investigator within 10 years of completing terminal degree (excluding time in medical residency, clinical training, or on family medical leave) at the time of application submission; time spent as a postdoctoral fellow is *not* excluded.  
  Postdoctoral fellows are *not eligible.*  
  Career Guide:  
  Investigators at or above the level of Associate Professor (or equivalent); must have a proven publication and funding record in cancer research.  
  *The PI and the Career Guide do not need to be located at the same organization.* | • Letter of Intent is required.  
  An invitation to submit a full application is *not* required.  
  • Supports independent, early-career investigators to conduct impactful research, together with the guidance of an experienced cancer researcher.  
  • Must address at least one of the FY19 PRCRP Topic Areas.  
  • Must address at least one of the FY19 PRCRP Military Health Focus Areas.  
  • Preliminary data not required.  
  • Clinical trials are *not* allowed. | • Maximum funding for the entire period of performance is **$360,000** in direct costs (plus indirect costs).  
  • Maximum period of performance is **3** years. | Pre-Application (Letter of Intent):  
  August 21, 2019  
  5:00 p.m. Eastern time  
  Application:  
  September 11, 2019  
  11:59 p.m. Eastern time |
| Horizon Award                 | PI: Predoctoral candidate within 2 years of completion of required coursework/laboratory rotations, successfully passed qualifying examinations, and is working in his/her Mentor’s | • Letter of Intent is required.  
  An invitation to submit a full application is *not* required.  
  • Supports junior-level scientists in conducting impactful research with the mentorship | • Maximum funding for the entire period of performance is **$150,000** in direct costs (plus indirect costs).  
  • Maximum period of performance is **2** years. | Pre-Application (Letter of Intent):  
  August 21, 2019  
  5:00 p.m. Eastern time  
  Application:  
  September 11, 2019  
  11:59 p.m. Eastern time |
