| Clinical Trial Award         | Independent investigators at all academic levels (or equivalent)            | ● Fund Phase 0, I, or II clinical trials with the potential to have a major impact on treatment or management of spinal cord injury (SCI) and its consequences.  
● Applications must include at least two SCI consumer advocates as members of the research team  
● Preliminary data relevant to the proposed trial required for all clinical trial applications.  
● Pre-application required; application submission by invitation only. | ● The maximum allowable funding for the entire period of performance is $3,000,000 for direct costs.  
● Indirect costs may be proposed in accordance with the institution’s negotiated rate agreement.  
● The maximum period of performance is 4 years. | Pre-Application (Preproposal): May 29, 2019  
5:00 p.m. Eastern time (ET)  
Application: September 9, 2019  
11:59 p.m. ET |
| Investigator-Initiated       | Independent investigators at all academic levels (or equivalent)            | ● Fund SCI-related research that has the potential to make an important contribution to SCI research, patient care, and/or quality of life.  
● Preliminary data required.  
● Clinical trials not allowed.  
● Pre-application required; application submission by invitation only. | ● The maximum allowable funding for the entire period of performance is $500,000 for direct costs.  
● Indirect costs may be proposed in accordance with the institution’s negotiated rate agreement.  
● The maximum period of performance is 3 years. | Pre-Application (Preproposal): May 29, 2019  
5:00 p.m. Eastern time (ET)  
Application: September 9, 2019  
11:59 p.m. ET |
| Research Award               | Independent investigators at all academic levels (or equivalent)            | ● Fund studies that accelerate the movement of promising ideas in SCI research into clinical applications.  
● Applications must include at least one SCI consumer advocate as a member of the research team. | ● The maximum allowable funding for the entire period of performance is $1,250,000 for direct costs.  
● Indirect costs may be proposed in accordance with the institution’s negotiated rate agreement.  
● The maximum period of performance is 3 years. | Pre-Application: May 29, 2019  
5:00 p.m. Eastern time (ET)  
Application: September 9, 2019  
11:59 p.m. ET |
